*From our Community Lay Director...*

Greetings Community:

At our May gathering, we had a good time welcoming the newest members of our community . We had a decent crowd. I always think we can do better, but I was happy.

Our next Gathering is June 17<sup>th</sup> at First Baptist Church in Columbus, IN. Hope to see everyone there!

We, as a Board, are still looking for any stray manuals or binders that someone may have. Also, we have a few positions open on the Board. If you have a manual to return, or if you are interested in learning more about a board position, please call or text me at 812-447-2084 or see any of the board members. The contact info can be found on our website.

As I write this, the team forming for the fall Walks is coming right along. We are trying to have a full Walk of 36 pilgrims for both men and women. So, sponsors, let's get busy and fill our Walks! It is never too early to contact someone that the Lord has laid on your heart. Please be in prayer for our teams and for the Board, as we always need your prayers.

## *From our Community Spiritual Director...*

Happy Birthday to everybody! If we are members of the Body of Christ, then it's our birthday this month. "Pentecost" (June 5<sup>th</sup> this year) recalls the sudden out-pouring of the Holy Spirit upon Jesus' followers. And so, the Church was born!

How do we celebrate such a holy Birthday? I would suggest by just being the Church! For example, we can be the one who:

Acts humbly around others, respecting and caring for all,

Is quick to pray, both with and for others,

Encourages others to grow deeper in their faith, even as we continue on that same fruitful journey,

Invests time, energy and money in addressing the needs of the poor and hurting, and

Reveals by words and actions the presence of the living Lord.

While none of us possess all of the spiritual gifts, nor express all of the spiritual fruits, we each can be the Church in our unique ways. If one of my examples has proven to be a particular challenge for you, ask the Lord to focus on its growth in you.

Being the Church is one great way to celebrate Pentecost and the birthday of Christ's Church!
