

Greetings Emmaus Community Members:

The deadline for applications for the Fall Walks is fast approaching, September 26. If you have prayed about sponsoring someone, please take action and ask now. We need several more pilgrims to make these walks happen.

God's timing is always right, so we don't have to use pressure, just invitations. Jeremy Keller and Debbie Raynor have been working all summer to build teams and lay a foundation of prayer over these fall walks.

Remember, pilgrims must be physically and emotionally ready to participate and should be active in their home church for the past 12 months. We also encourage spouses to attend the same set of walks, if possible. Who is God telling you to invite? De Colores

Dave Goodner, Community Lay Director
