Letter to the Community:

VOLUME 19 ISSUE 8

AUGUST
2011

Hello Brothers and Sisters in Christ,

I hope you all have had a great summer enjoying all the blessings God has for us in these summer months. I know it's not over, however; the calendar is inching toward fall. With fall comes the blessings of a flight and a set of walks.

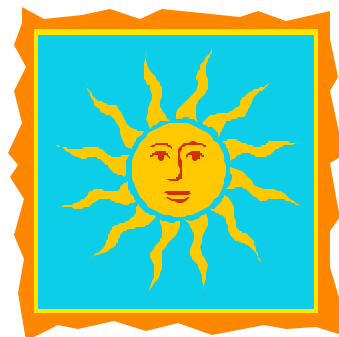

Galatians 6 v. 9 says, "Let us not become weary in doing good." I am encouraging you all to be in prayer for the upcoming Chrysalis flight, Sept. 3-5 at Hilltop Christian camp and the walks in October. There are so many ways to help: praying for the teams, caterpillars, pilgrims, supporting with agape, attending candlelight, sendoff, closing, and sponsoring- just to name a few ways.

God has given this community such a gift in Chrysalis and Emmaus; let's do our part to make it special for Him!

So enjoy the rest of the summer and I hope to see you all at Community Church of Columbus 7 pm on August 19th for a Chrysalis team dedication and Gathering.

Fly with Christ/Decolores,
Cindy Massey

"Trust in the Lord with all your heart and lean not on your own understanding, in all your ways acknowledge Him, and He will make your paths straight." Proverbs 3:5-6

The Earlier the Better

Now is the time to find prospective caterpillars for the Fall Chrysalis Flights, September 3-5, 2011. This is Labor Day weekend. The flights will be held at Hilltop Christian Camp in Brown County.

Pray for the youth in your church or in your neighborhood. Some young person you know may be waiting for the love, inspiration and blessings that can be gained on a Chrysalis weekend.

Helpers for these flights are needed. There are some empty spots where you can serve. If you are interested, contact Erin Koons at 812-522-9523.

We are in dire need for clergy to serve in all aspects of Chrysalis and Emmaus. If you are a pastor or know of a pastor that would make a good servant on a flight or walk or on the board, please call Brian Buterbaugh at 812-379-4584.

Looking for Twelve Geeks

The Emmaus Board is looking for “Twelve Geeks” to comprise a community technical support team. This team will facilitate the development, management, use and execution of technical equipment and tasks in support of Walks, Candelights, Closings, Gatherings, Website, Database and other routine needs as directed by the Board. This team will have leadership representation by a proposed new seat on the community Board. The goal of this team is to bring routine professional organization and consistency in technology management to the community for the future. This team will comprise enough team members to ensure comfortable rotation of participation and to ensure no team member is used beyond their joyful willingness. If this sounds like something you might enjoy and want to find out more please contact Tom Ganus or Chris Bradley at Midwest Computer Solutions 812-372-9400 or dataordinator@columbusinemmaus.org.

Photographers Needed

If you enjoy taking pictures, the Columbus Emmaus Community can use your talent. Volunteers are needed to take pictures of pilgrims and teams during each Walk to Emmaus and Chrysalis weekend. If you are looking for a place to serve, this might be it. Contact Carolyn Pool at 812-376-2780, Melanie Hart at 812-350-0924, or John Rhoades at 812-372-2107.

Next Steps

Chrysalis was an interesting experience for me. I had no idea what to expect, but it stretched me and helped me grow into the daughter of Christ that I am today. Not knowing the time of day as well as not knowing what would happen next caused me to let go of wanting to be in control. This forced the craziness of life out of the picture and helped me focus on what is most important: Jesus. The most amazing part of the experience was near the end when we received letters from friends and family. It was overwhelming to see how many brothers and sisters in Christ cared for me and had been praying for me. Chrysalis was an important role in my relationship with Jesus Christ. I encourage other students to attend a Chrysalis flight as it will stretch and mold each person. I will be attending Moody Bible Institute in the fall to study Bible & Theology as well as Intercultural Missions.

If you have not yet attended, I hope you will attend the next flight.
