## Letter to the Community...

Dear Emmaus and Chrysalis,

Thank you to everyone that came out to the January Gathering. I know everyone there was blessed by our time of praise and worship. And, a big thank you to Dick and Connie Yeaton for sharing their experience of serving on the last Chrysalis team. What a blessing we received.

Please note that we have made a change to our February Gathering. Instead of Sandy Hook, where the Chrysalis teams will be training, we are going to meet at Ogilville Christian Church so we won't interfere with their training. Please make sure and spread the word at your home churches and with your pilgrims and friends.

February is the month our focus turns to love and we celebrate Valentine's Day with our loved ones. I would like to encourage the community to focus on sharing the love of Christ by sponsoring a youth or an adult on a flight or walk. I can't think of a better way to show someone love than to share the gift of our Lord's love and grace. The Prayer Partner charts were available at January's gathering but, it's not too late, there are still plenty of numbers available. You can email me if you'd like to sign up to pray for a pilgrim or come sign up at the February Gathering.

Please remember to keep the Boards, Ed, Joyce, Sean and Shelley as well as their teams and the pilgrims and caterpillars that the Lord is preparing to attend the Spring walks and flights in your prayers.

DeColores!

Mary Miles,

Emmaus Community Lay Director

### It's Time to Update our Emmaus Database

We are updating our current Emmaus database. We are finding that a lot of the information we have on our members has changed and is out of date. If your mailing address, phone number, or e-mail address has changed, then please let us know. Cell numbers are especially needed, since many people have disconnected their home phone lines.

Email your change to
