Letter to the Community

The Fourth Day Experience

For some of you receiving this Newsletter, it will be the first from the Emmaus Community. You just finished your Walk to Emmaus and now you start your Walk from Emmaus: "Your Fourth Day". This is an uphill journey. With the support of your Church family and Emmaus family, the traveling is made easier, even if it is uphill into the world. Where did Christ spend his time and energy and what is he asking you to do? For Emmaus, look at your church and consider sponsoring those who will help renew the church as the body of the risen Christ in the world. Get into that reunion group and share your journey with fellow Christians. For your church, go out to love one another. Through this bright light of love bring others to Christ.

HELP! Acts of Agape Needed

For each walk, the verses, placemats, and little gifts of agape left at your dining place, bedside or conference table were made by members of the Emmaus Community. This act of agape is so meaningful to the pilgrims and is but one of the many expressions of God's love that we share that weekend.

With our Spring Walks upon us the Agape Board Reps need your help. In order for us to be better stewards of our finances and *to be able to plan ahead on what agape the community will be making, we need you to let us know if you or your reunion group plan to furnish agape for any of the 2004 walks.* The more individuals or reunion groups that make or furnish agape the less cost to the Community finances.

In order for us to know how much agape still needs to be made or purchased, we first need to know how much is going to be provided by you.

Please, let us know as soon as possible.

Also, make note that at Camp Lakeview we can accommodate more pilgrims on a single walk so we are asking you to **increase the number of agape pieces to 100** for both team and pilgrims. All leftover agape will be placed in the back of the dining hall for you to pick up after Closing at the end of the walks.

Call us now if you are planning to contribute agape for the Spring Men's or Women's walk. Also, anyone needing to have agape items taken out to Camp Lakeview please feel free to contact your Agape Board Reps., Karen Morris @ 812-342-6430 or Anita Beeker @ 812-587-5172.

In the spirit of co-operation and charity may we continue to serve our Lord

New Board Member Profile

Hi, my name is Dick Yeaton, Walk #39, Table of Luke. I'm new on the local Emmaus Board and am still trying to figure out what I do. Oh, I know! I'm the Community Events person. Now you figure it out.

Actually, this involves arranging churches to host Gatherings; assure that physical facilities are in place for those events; provide communion bread (with the help of Cindy Grider who bakes it for us) and grape juice; arrange for baby sitters at events; and have refreshment cups, etc., for events; and in general, help provide an edifying atmosphere for all Emmaus participants during the year. Three other volunteers assist in this project - Lois McGatheey, Linda Lezcynski and Connie Yeaton.

My wife is Connie and a big help to me in getting me to where I should be, on time, and with what I need to have and do. Connie and I have five sons and thirteen grandchildren.

I came to Indiana late in 1960 and was in ministry through 1977. From 1983-1990, I was involved in office furniture sales and manufac-

turing throughout much of the United States.

A call came from Calvary Christian Church in Edinburgh in 1990. In 1999 I retired from active ministry and we have remained members of the Calvary Church.

Being retired means I am about as tired in the morning as I was when I went to bed the night before. Once I get over it, I move around a lot, i.e., mow the lawn, take out the trash, pay the bills, dictate what I'll have for breakfast. Yep, that's pretty much your schedule, too, right?

Since you are in Emmaus, you know what it has done for you in jump-starting, building and refurbishing your faith, witness and leadership for Christ. It is doing the same for me, too. Isn't that a work of grace?

All the rest you'll have to read in my obituary - whenever it is published.
