August vol 30 issue 8

From the Community Lay Director

Dear Community,

As I sit here and put my hands to keyboard, I am reminded that we live in a far different world than the one I grew up in. Before, I would have said "put pen to paper." Technology is great when used correctly. (And is working!)

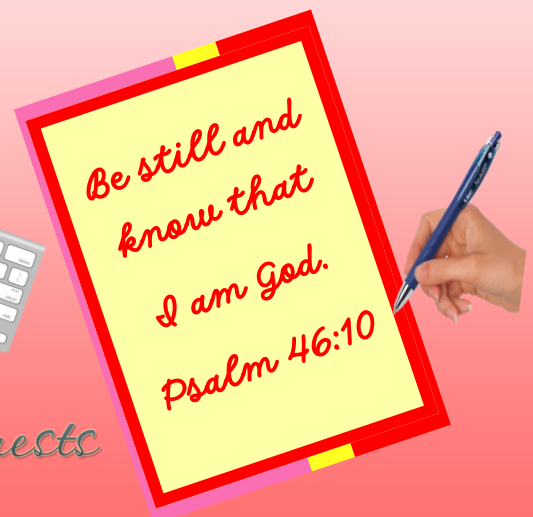

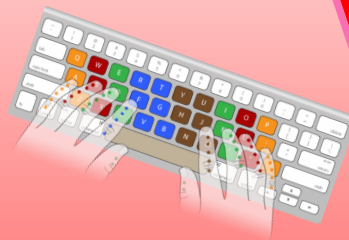

This month at the Gathering we will commission the Chrysalis Flights for this fall. Please, if possible, try to attend and show the Teams your support. Remember that we are taking up a love offering during this Gathering to be donated to help in obtaining Bibles for Chrysalis Caterpillars. If any of you are struggling during these hard times, please let us know so that we may pray with and for you.

I'm looking for a member of our Community who would be willing to give the 4th Day talk at the September Gathering. It will be on September 23rd, 2022 at Westside Community Church. The talk need only to be 10-15 minutes long. In it, you would tell us all how God has used you in your 4th Day. If willing to lift us up, please contact me at 812-447-2084 or mikehess_1951@hotmail.com.

Thank you to all who are in Christ. May God bless you all!!

De Colores,

Mike Hess, Community Lay Director

Prayer Requests

From our Community Spiritual Director,

We see all the evil displayed in our society today, and we wonder if this world can ever be changed for the better. No great solution seems to be in sight. Yet one solution will be arriving next month – the Chrysalis weekend!

This month our students are starting in a new grade level, and hopefully learning useful information. But at Chrysalis, a different kind of knowledge will be gained by those attending. We hope that each student will:

Gain more knowledge about God,

Accept Jesus as their Savior,

Grow deeper in their faith,

Be guided into God's plans for their future,

Be given wisdom in all their relationships, especially in choosing a life partner,

Desire to serve their families, Church, school, community & Chrysalis.

We can actually help change our world by supporting this Chrysalis weekend! We'll receive gifts at our next Gathering to help buy Bibles for the youth. And we'll be challenged to be their prayer partners, and to attend their Candlelight and Closing.

Let's keep changing our world, one youth at a time!

De Colores,

Pastor Mike Seaney,

Community Spiritual Director
