Letter to the Community:

Spiderman is not the only one with a web! Check out our Emmaus Community website. It is the best way to keep up to date on what's going on in the Columbus Indiana Area Emmaus Community. The website is set up with two levels of access. The first level is for general use and is open to the public at www.columbusinemmaus.org. There is another level for community members at www.columbusinemmaus.org/emmaus/members. At this level, you can find more specific information relating to our community, like board member job descriptions and by-laws. To access the member level, you will be prompted for a user name and password. They are: columbusemmaus and 4thday.

The website is a great place to find out about gatherings and hoots. It tells time and place and who is to bring snacks. It even has a map to the church. You can also fill out or download forms, such as walk and flight applications, team service application forms, and information sheets. You can even sign up to get the news letter by e-mail or regular mail. It's a great way to update your address or phone number if they change. But that's not all. There are links to other Emmaus and Chrysalis Communities across the United States and around the world. You can find out about the history of Emmaus, find places to buy books and merchandise, and much, much more.

So take time to explore this valuable resource of information. Don't get caught up in the webs of life on your 4th days.

DeColores,

Gary Fuquay, Community Lay Director
