Columbus Indiana Area Emmaus Community, Inc.

## Letter to the Community:

Greetings fellow servants,

Summer is in full bloom and one might be tempted to think that we can relax now that the spring walks are finished and we have a couple of months before the next events take place. Not so, Kemo Sabe!!!!

A few questions come to mind of things that we could be doing:

Have you completed a new team service application for the fall walks?

The team selection board member would really like to hear from you.

Have you been praying about sponsoring someone on the upcoming Chrysalis flights or the fall walks?

God may be waiting for you to ask Him who to sponsor.

Have you reviewed your notes taken from your walk weekend?

There may still be some golden nuggets to be found there.

Have you been in touch with those tablemates lately?

Words of encouragement are always welcome.

Have you asked your pastor how you can help in your congregation?

Watch the expression on their face when you ask this.

These summer months are usually filled with the normal activities such as cookouts, camping, weekends at the lake, fishing, vacation trips with the family, and only God knows how many other things can fill our time. Just remember, God still wants to spend time with us. He wouldn't mind being invited to go with us to all of these activities. He even knows where all of the good fishing spots are. I even did something last summer that I had never done before. I spent a good part of my vacation time reading a good book by the pool at the condo where we were staying. God gave me some real good instruction in this book. Also, don't forget to take God's word with you this summer. Sometimes, He can bring new light to us when we don't have the normal every day distractions in our lives.

I pray that everyone will have a safe summer and a season of growth in relationship with our Father.

Blessings to all,  
Bill

## Board Nominations

It is now time for us to begin praying for guidance in the selection process for new Columbus IN Area Emmaus Community Board members for 2010. Pray for discernment so we will know those servants that God wants to do His work on the Board for the next three years.

Approximately one-third of the current Board will be finishing their three year term in December. We will need to nominate and vote on new board members in October and November. So, now is the time to pray about this very important concern. Contact Carolyn Pool , Team Selection, if you have any questions. We need your nominations as soon as possible.

## Welcome to the New Chrysalis Community Spiritual Director

Jane Noblitt has accepted the opportunity to serve the Columbus IN Area Chrysalis Community as its new Spiritual Director. She replaces Brian Buterbaugh who recently became the Emmaus Community Spiritual Director. Jane's most recent position was Supplies Coordinator on the Chrysalis Board.
