Letter to the Community:

A #1 EMMAUS COMMUNITY MEMBER

An "A#1 ECM" is someone who does everything possible to serve God through the Emmaus Community. An "A#1 ECM" would ...

... Actively participate in serving and leading in their local church ~ they would take time for their family ~ they would sponsor one or more pilgrims on every walk and caterpillars for every flight ~ work on every Walk and Flight team ~ serve on the Emmaus and Chrysalis Board of Directors ~ come to every Gathering and Hoot ~ sign up for every hour on the prayer charts ~ come to every Candlelight and Closing ~ take team pictures ~ drive the bus to and from camp ~ deliver supplies ~ setup and take down camp ~ attend a reunion group ~ attend the 4th day meeting ~ give all of the talks on the Walks and Flights ~ make Agape for all pilgrims and caterpillars ~ make rainbow Jello ~ make communion bread ~ run the sound system at meetings ~ sing and play in praise teams ~ contribute money ~ store supplies ~ write newsletter articles ~ and much, much more.

The point is that no one person can do it all! It is by working together that all of these things get done. Serving in the body of Christ in this special ministry is a blessing! We can ALL contribute in some way. Serve as you feel God leading you.

DeColores,
Gary Fuquay
Community Lay Director

Chrysalis Flights 25 & 26

“True worshipers will worship the Father in spirit and truth for they are the kind of worshipers the Father seeks.” John 4:23

WOW! What a way to spend the Labor Day weekend. Flights 25 & 26 were awesome. From the time we drove into camp on that Friday afternoon until we left for closing on Monday you could always feel the presence of the Holy Spirit. God was truly with Flights 25 & 26 because of so many faithful people like you who lifted the Flights up in prayer. Now is the time to say **THANK YOU**.

The food was great and it was easy to see Jesus Christ in each person that served in the kitchen. Thank you so much for the wonderful meals and for the love that was shown by each of you.

The Agape team was never seen but was always everywhere, getting the job done. With so much love and big smiles it was easy to tell they love the Lord with all their hearts. Thank you for being the hands and feet of Christ during the Flights.

Worship was awesome with the Music team God blessed us with. They were always humble as they gave God all the credit in our worship services. Thank you for leading us into the presence of God as we gathered to worship Him. It is You, Lord. We worship “only You.” Music team you rock.

And for all of you that served in the Conference room. What a wonderful and loving way you ministered to all the Caterpillars. All the prayers you lifted up for these caterpillars so they could be transformed into beautiful Butterflies was truly awesome. The talks touched the lives of the Butterflies and the team as well. We will never be the same again. Thank you for the leadership from the ALD's and YLD's. You kept us not only on time but gave the Butterflies extra time to spend with God. That is when we can be still and truly know that God is God. That is when He can work on and in our hearts.

Butterflies, this weekend was all about you and your relationship with Jesus Christ. Everything was for you to see and feel the love of Jesus. We want you to know that there are many of us praying for you each day. We pray that your Next Steps will never be the same because of what happened on this Labor Day weekend.

May God's love continue to grow in your heart.

May Jesus be the focus of your life.

May the Holy Spirit guide, encourage, and teach you every step of the way.

Thank you Columbus Chrysalis & Emmaus Community for giving us this opportunity to serve as Lay Director's on Flights 25 & 26. Our lives will never be the same again. We love you all.

**Fly With Christ
