Letter to the Community:

VOLUME 18 ISSUE 10

OCTOBER 2010

Greetings to you all! With a clean sheet of paper, pen in hand...we all remember these words and some of you just recently heard them a number of times, having just finished your fall Flight or Walk. I hope and pray you found God's love in ways you may never before have known.

I've heard it said, no matter how things change, things stay the same. I'll try to share how that just came to me once again. As the Lay Director for our Community, I am to write something for each month's Newsletter. Sometimes it is a blessing; others, it is a challenge. Sometimes God seems to just put words down for me; other times I struggle. This month was one of those times of struggle.

I was blessed to have spent Labor Day weekend and the following week on my motorcycle, traveling to, around and back from Colorado. Donna did not make this trip, so I traveled alone, except I joined up with some friends for the week of riding in Colorado. It is such a blessing to be able to be "in" God's Creation as one is on a motorcycle. For me it's relaxation to be away from the daily routine, to see the mountains, the valleys, the plains, the pure blue skies; to feel the winds, the heat of day, the chill of evening, and try to understand how He did all this and why He lets me be there to enjoy it all. We are so blessed to live in this country. But as I was being blessed, a wildfire near Boulder was destroying a hundred or so homes, disrupting many lives. I'm sure some of those folks may have been questioning God. I thanked God at various times for letting me be safe, and to see 3800 miles of His grandeur.

Psalm 46:10 says "be still and know that I am God". In my daily rush of things, upcoming walks, concerns over the material parts of weekends, etc., how easy it is to forget that God is in control, not us. I and maybe you too, need to remember to slow down, reflect, and realize this is God's world and that He is in control of it.

So, how does this relate to my opening that things change but stay the same? Jane, a former community lay director, basically said these same things in her letter in the August, 1997 Emmaus newsletter. I am constantly reminded of God's timing. I was struggling with finding a topic for this month and my wife handed me the 1997 newsletter, which had just fallen out of the Bible she had tucked it into. (Continued on page 2)

Dates for Upcoming Walks & Flights

Men's Walk #77	October 21-24, 2010
Women's Walk #78	October 28-31, 2010
Men's Walk #79	March 31- April 3, 2011
Women's Walk #80	April 7-10, 2011

(Continued from page 1)

Is that coincidence? Today, I was doing some repairs at a local office of a not for profit, and they had a need for a desk chair. I recalled a friend, who has access to surplus office furnishings, connected the two, and the office saved \$70 or so of their precious funds. Was it coincidence I was there when the chair need was stated?

A young friend of ours is assembling materials to take with her on an upcoming mission trip to India, paying for it all herself. As she was checking out of a “dollar” store with a handful of oral care products, the lady behind her commented on what she was doing and when she responded, the stranger paid for the purchase. A coincidence?

So, I hope you can join me as I try to daily see God’s activity in my life and be reminded that He is in control, not us.

As Jane closed her column in 1997, she noted: Psalm 46:11 continues, we are reminded that “The Lord Almighty is with us; the God of Jacob is our fortress”.

Remember the Gathering (Pitch-in) November 19, at St Peter’s Lutheran in Columbus. Invite those you made your walk with, or call and remind someone you sponsored in the past. In the meantime, make it a great day, and be a blessing to everyone you encounter.
